Thursday 24 February 2022	Time	Room
Vocational Transition Program	9:30am – 1:00pm	B4

The Vocational Transition support program offers support and guidance for students for students who gained entry to first or second year Bachelor of Nursing via a VET qualification.

This half-day workshop aims to give students a positive start to transition for vocational to tertiary education. Information will cover study skills, note-taking, research, academic writing and reflection skills.
